

Public Entity Multi-Line Program

For decades Safety National has been the leading provider of Excess Workers' Compensation coverage for self-insured public entities and pools. We know the risks and challenges that exist in the public sector from years of partnering with these organizations for their workers' compensation needs. Now, Safety National is expanding our coverage offerings to public entities through our Multi-Line Program.

Available Coverage:

- **General Liability**
 - Occurrence form/Admitted
- **Auto Liability**
 - Occurrence form/Admitted
- **Law Enforcement Liability**
 - Occurrence form/Non-admitted
- **Public Officials Liability**
