## APPROVED SERVICE ORGANIZATION APPLICATION

Dear Third Party Administrator: To become an Approved Service Organization of Safety National Casualty Corporation we need information regarding several facets of your business. Please answer all questions as thoroughly as possible using additional paper if necessary and provide the following additional information:

- 1. Sample of Standard Service Agreement
- 2. Organizational chart of all claims personnel for location requesting approval
- 3. Resumes of all claims personnel for location requesting approval
- 4. Sample loss experience reports. Also provide listing and explanation of payment codes on loss experience report
- 5. Current Errors and Omissions Certificate of Insurance
- 6. Informational brochures

General information (Include all locations)				
Fax #:				
	Fax #:			

What type of loss control and risk management services are available to your clients?

## 2) Claims department structure

Claims manager:

List claims technical staff (includes titles)	TITLE	
Number full-time:	Number part-time:	
Will the same adjuster handle different lines (i.e., w		
	vork comp, liability, etc)?	□no
Average pending case load per adjuster: Medical	vork comp, liability, etc)?  yes Only: Lost time:	□no Total:
Will the same adjuster handle different lines (i.e., w Average pending case load per adjuster: Medical How is the case load split? Alpha: Please explain diary and supervisory review system	vork comp, liability, etc)?  yes Only: Jurisdiction:	□no Total: Account:
