Distracted Driving Course

Online driver simulation training.

MAP CLIENT SERVICES

Distracted driving is a major cause of work-related vehicle accidents. This online driver simulation program provides targeted and convenient safe driving training for all fleet drivers, regardless of vehicle type. The course is SCORM compliant and designed to function independently with basic instructor participation in a brief 20-30 minute lesson.

SAFETY NATIONAL
Since 1942

The Distracted Driving Course plan teaches:

- The negative effects of looking away from the road for more than two seconds.

- Strategies for eliminating controllable distractions.

- How to make necessary adjustments for distractions that the driver cannot control.
