**S**afety: Emergency Responder Vehicle Education (S:ERVE) is an online driver simulation and curriculum that focuses on code three intersection negotiation scenarios created to educate law enforcement, firefighters, EMS and other emergency responders. Courses are SCORM compliant and designed to stand alone with minimal instructor participation. Each course is divided into six short lessons of 20-30 minutes, presenting techniques, concepts, rules and procedural knowledge necessary for emergency responders to drive safely and effectively in emergency response situations.
