

# CRISIS PROTECTION GENERAL LIABILITY

**S**afety National Crisis Protection® is a crisis management benefit provided exclusively to Safety National's general liability customers. If your business undergoes a qualifying "Domestic Crisis Event" that causes bodily injury to multiple individuals or significant property damage, Safety National® will either pay one of our approved vendors to assist with crisis management or reimburse you directly for the approved costs incurred with a vendor of your choice.

## How Does It Work?

If a qualifying "Domestic Crisis Event" occurs, Safety National Crisis Protection will help you minimize post-crisis risk to the organization. The annual aggregate limit for this complimentary benefit is \$50,000. This benefit is accessible when you need it and is provided by Safety National free of charge.

## "Domestic Crisis Events" Include:

- Bombing
- Explosion
- Arson
- Hostage situations
- Mass shootings
- Terrorism (only available if TRIA is purchased)
- Building or equipment collapse
- Food or drink contamination
- Automobile accidents

\*COVID-19 related events do not qualify.
